Vending machine purchase successful	Luggage with a funny saying	Family negotiating over one charger	Group wearing matching shirts	Boarding group called - cheer

How to play

- One card per player, or pair up — two sets of eyes per card is great for small kids.
- Spot a thing, mark its box. Five in a row across, down, or diagonal wins the round.
- The winner picks the walk route, the boarding snack, or the radio station for the ride from the airport.
